**What made the men of
Phi Kappa Theta run out on the
social event of the season?**

The KZ400s.

Some say it was the devil's work.
Others say it was a sorority pay-off.

All anybody knew for sure was that when John Barkworth and George "The Gorge" Pinard skipped on the annual toga party, they took over half the buffet and certain valuable manuscripts with them. And they left on the KZ400 and KZ400 LTD.

They're two bikes out for a good time, whether it's highway riding or campus crusin'. You can bet your toga on that. The six-speed gearbox gets you a lot of go from a strong 398cc 4-stroke overhead cam engine.

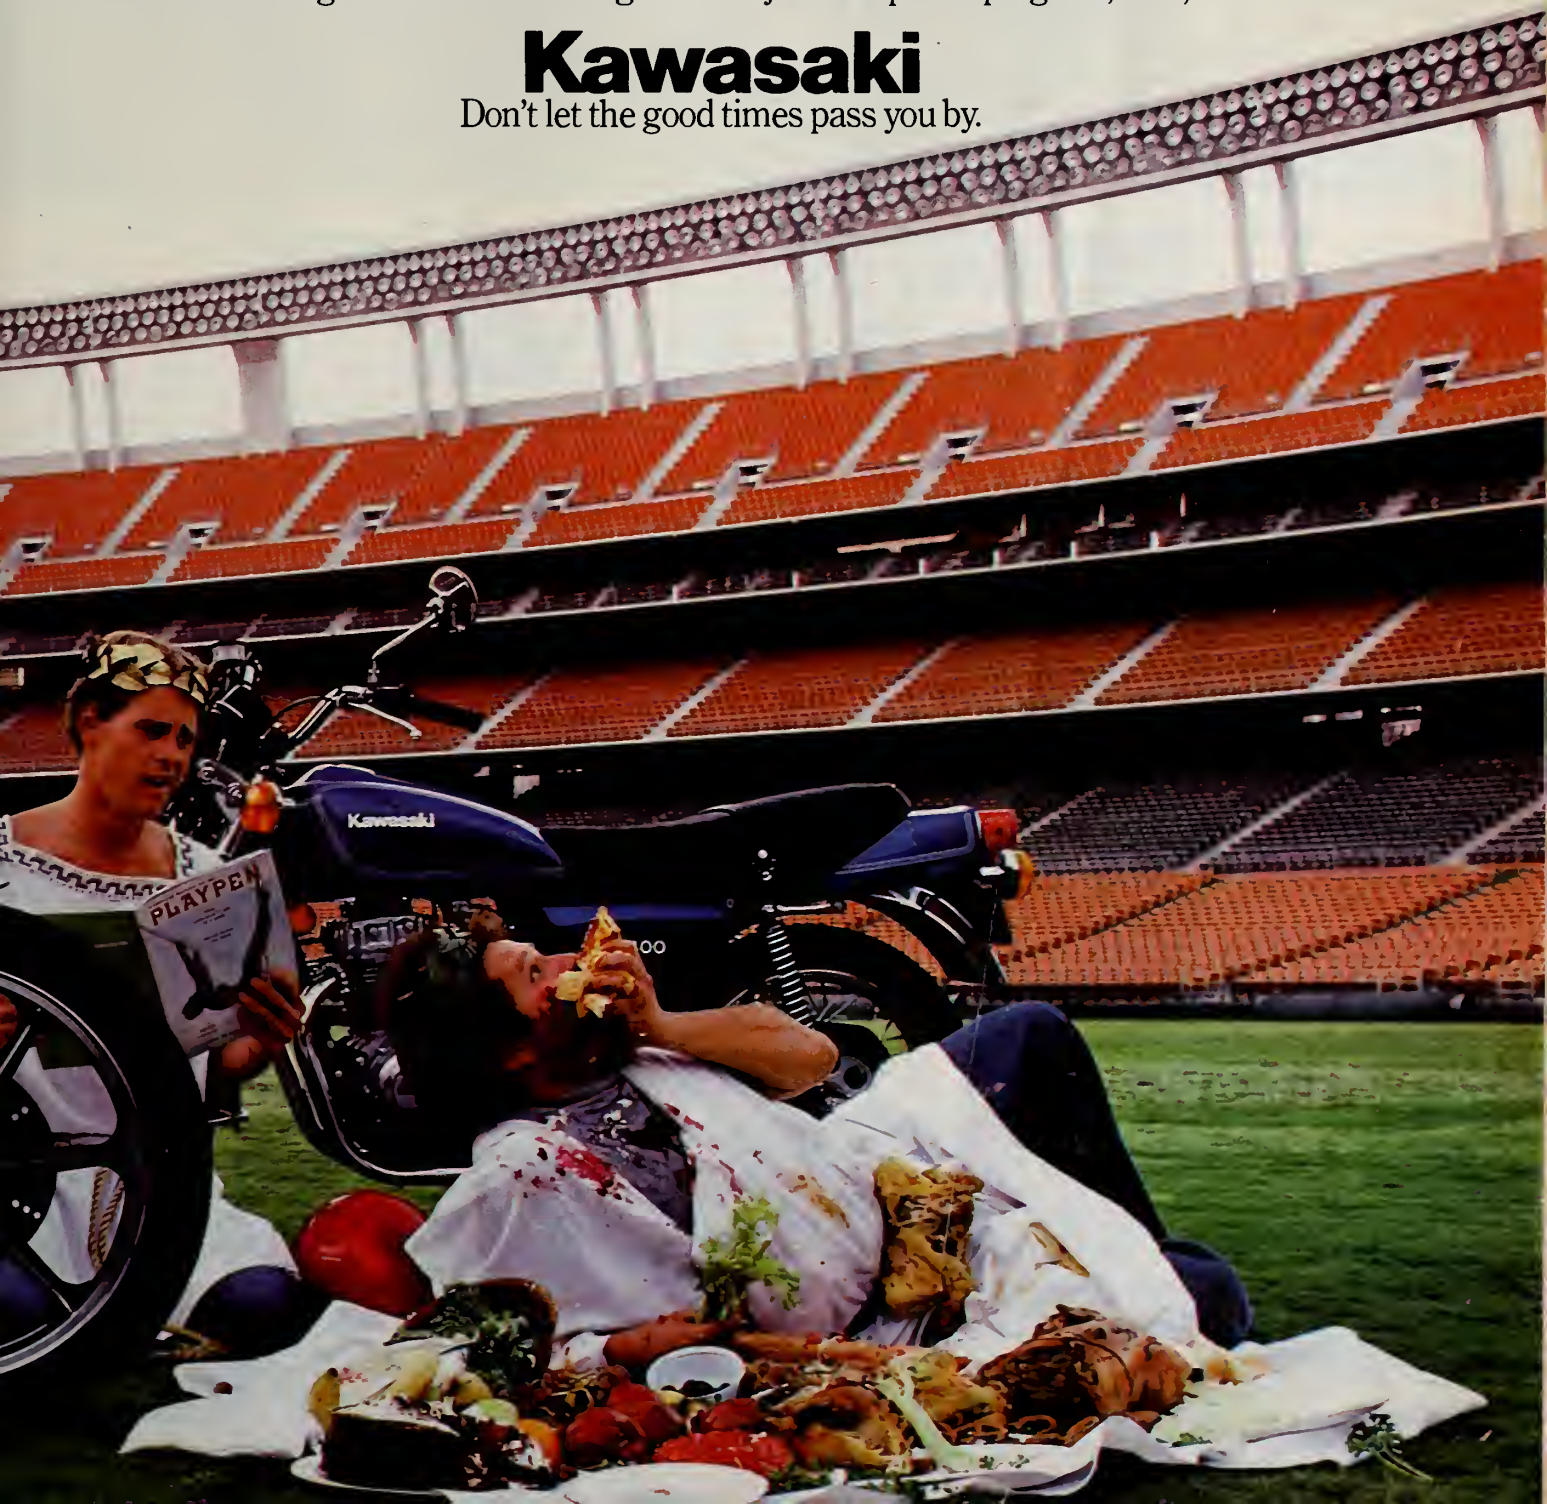

Stop at a light and the automatic neutral-finder finds neutral on the first try. And the steering lock is built right into the ignition switch. So wise guys on Greek Row don't ride off on your good time motorcycle.

The Gorge liked to get down to basics. Food and your basic KZ400. Barkworth was more the BMOC type (Big Man On Campus). So the KZ400 LTD was more his type.

The KZ400 LTD. Billy goat bars (almost), fat rear tire, aluminum alloy wheels with a disc up front. Big step seat and a sinister black paint job with pinstriping. Oh, et tu, Brute?

Kawasaki

Don't let the good times pass you by.

THE HOTTEST THREE-WAY ON THE FREEWAY.

That's right. Our TS-695's are the very best 3-way car speakers you can buy.

Better than anyone else's. Including the other leading brand's.

Here's why: Theirs has a bridge plate across the top to hold the midrange and tweeter in place, blocking some of the woofer's sound.

We took the bridge out. So our bass comes through loud and clear.

Their woofer magnet is two 10 oz. magnets glued together. While ours is a solid 20 oz. ferrite magnet. So there's smaller flux leakage and less loss of energy.

Our 3.5 oz. midrange magnet is more than twice as heavy as theirs and drives a

free edge cone. (Theirs has a fixed edge cone.) So the music comes through with each instrument clearly defined.

Our tweeter has a cone speaker with an alnico magnet dynamic tweeter. Theirs has no magnet at all. Can you guess which one has less distortion in the high end?

There's more.

Ours can handle 40 watts. Theirs, only 30. Ours is twice as sensitive and operates at 4 ohms instead of 8. So you get twice the volume at the same power.

We think the TS-695's are pretty hot stuff.

But if you still aren't sure about which three-ways to buy, take your ears into your stereo store. And let them decide.

ADMISSIONS PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any student who meets admission or readmission requirements after May 1, 1979 cannot be assured of registration before the first day of classes. Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to May 1, 1979. Anyone failing to do so cannot be assured of being considered for admission.

New Applicants

Applications for admission, detailed instructions concerning admission procedures, and regulations for all student levels may be obtained in the Admissions Office, Room 215, Administration Building. After 4:30 p.m. and on Saturday mornings, these may be obtained in Room 165, Administration Building, or by telephoning 454-2398.

Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the previous semester. Undergraduate or graduate former students desiring to be readmitted may obtain an application for readmission from the Office, Room 163, Administration Building. Former undergraduate students entering Graduate School are not "former students" for readmission purposes. They are new graduate students and must be properly admitted to graduate school as new students.

Graduate students who have not attended Memphis State in the past 5 years or longer must apply for readmission at least 3 days prior to Graduate Registration in order to complete registration on time.

Transferring Credit to MSU

In order for completed additional course work to be transferred from another university and recorded on the student's permanent record, the student must request that an evaluation of the additional course work be completed by the Transfer Affairs section of the Admissions Office. After the student has been admitted as a regular undergraduate, whether he is a beginning freshman or a transfer student, it is recommended that he consult with his adviser or the Transfer Affairs section of the Admissions Office if he anticipates enrolling at another college or university for the purpose of transferring credit to Memphis State University.

Residency Classification

All determinations concerning classification of in-state and out-of-state students for fee-paying and other purposes are made in the Office of Admissions. The determinations are based on the regulations and guidelines of the State Board of Regents. Copies of the guidelines and regulations used in the classification of students for fee-paying purposes are available in the office of the Admissions Adviser for Residency.

Persons Over 60 Years of Age and Totally Disabled Persons

Persons suffering from a permanent disability which totally incapacitates such person from working at an occupation which brings him an income, and persons sixty (60) years of age or older, who are domiciled in Tennessee, may AUDIT courses at Memphis State without paying tuition charges, maintenance fees, student activity fees, or registration fees. Admission to AUDIT will be limited on an individual classroom basis according to space availability.

Any person who is totally disabled, and persons sixty-five (65) years of age or older, who are domiciled in Tennessee, may enroll for courses for credit at the cost of \$9 per semester hour, not to exceed \$75 per semester. The University Health Services shall examine certification of permanent disability (not the applicant) and determine the eligibility of the applicant under this legislation.

Inquiries concerning these programs may be addressed to the Records Office, Administration Building, Room 115, or telephone 454-2671.

REGISTRATION PROCEDURES

Registration dates for the five summer terms of the Summer Session 1979 are found in the MSU Summer Calendar. Specific details of these registrations are as follows:

Pre-Summer Session: Registration for this term only will be on May 7. Students should report to the Field House for registration at the time they are assigned. Students are assigned registration times by student classification and should refer to the information card included in the packet of registration materials for these times. Registration material will be mailed prior to the Pre-Summer Session registration and may be used for this term or any subsequent one. Although the "Registration Appointment Card" should be processed during registration, the time on this card should be ignored for Pre-Summer Session registration. Additional registration materials will be mailed to those who register for Pre-Summer Session courses so that subsequent registration may be possible.

First Summer and Extended Terms: Students must register on June 5 or 6 for courses offered during the First and Extended Terms. Students may also register on these dates for courses offered during the Second Summer and Nine Week Terms. The time on the "Registration Appointment Card" must be used for this registration. The specific dates for adding and dropping courses are in the MSU Summer Calendar.

Nine Week Summer Term: Students who have not registered previously for this term may do so during the Late Registration period of June 7 and 8. They should follow the instructions for late registrants found elsewhere in this Schedule. Students who complete their registration for the Nine Week Summer Term on these two days will not be assessed a Late Fee.

Second Summer Term: Students who have not previously enrolled for Second Term courses may do so on July 16. Students are also permitted on this date to add and drop Second Term courses for which they have previously enrolled. A special "Add/Drop Appointment Card" will be sent prior to the Second Term Registration to all students who have previously registered for courses.

NOTE: Students registered for the First Term do not register for the Second Term. They simply add courses with a "Change of Course" application.

IMPORTANT:

1. Read carefully all instructions found in your registration materials.
2. Registration on June 5 or 6 will insure class space in the courses being taught in the Second and Nine Week Summer Terms.
3. Students registered for the First Term, Extended Term, or the Nine Week Term **do not** register for the Second Term. They simply add courses with a "Change of Course" application.

Students who do not register on June 5 or 6, but who wish to register for Second Summer Term courses must report at the times indicated on the card accompanying the registration materials.

A \$5 add/drop charge will not be made on course changes processed on July 16. The charge will apply to adds/drops processed at any other time during the scheduled add/drop period. Students who fail to register during the regular registration periods may do so during the late registration periods. A charge of \$10 late registration fee is made.

The registration process is composed of the basic steps outlined below. After the outline, each step is explained in detail.

- (1) Consulting with academic adviser
- (2) Obtaining registration materials
- (3) Securing class cards and paying fees
- (4) Changing enrollment status
 - (a) Change-of-course procedures
 - (b) Withdrawal procedures
 - (c) Change of college, major, or adviser
 - (d) Change of name or address

(1) CONSULTING WITH ACADEMIC ADVISER

To begin the registration process, all students must see their academic adviser to obtain the "Student Schedule" form and secure the adviser's approval of their course selections.

Current Students

Current students should consult with their academic adviser during the term preceding their next semester registration and receive the proper "Student Schedule" form. It is the responsibility of the student to arrange to see his adviser at the earliest possible time. This should be done prior to the semester registration period. The University is open Monday through Friday, 8:00 a.m. to 4:30 p.m., except during holidays.

Undergraduate students enrolled in Saturday and evening courses only may consult an academic adviser and/or secure their student schedule form in Room 165, Administration Building, between the hours of 12:00 Noon - 8:00 p.m., Monday through Thursday, and 8:00 a.m. - 12:00 Noon, Saturday. However, during the registration period, hours will be the same as Packet Center hours.

New Students (Undergraduate)

Freshmen and transfer students registering for the first time should attend a new student orientation session at which information concerning the registration and advising process will be given. (See Semester calendar for date and time.) All new freshmen students and transfer students without an academic major will be assigned to the Academic Counseling Unit. Students assigned to the Academic Counseling Unit should go to the Unit immediately after admission to the University and re-

quest the assignment of an adviser. If possible, this should be done prior to the new student orientation session. The Academic Counseling Unit is located in Scates Hall. Advisers will be assigned during the orientation session to students who have not seen an adviser.

New Students (Graduate)

New students in the Graduate School will be directed to an academic adviser following their admission to the Graduate School.

New Students (Evening)

New evening students should secure required registration and adviser information in the Evening Academic Services Office, Administration Building, Room 165, telephone 454-2398.

Readmitted Students

Students readmitted to the University who do not have an academic major will be assigned an adviser in the Academic Counseling Unit in Scates Hall. All other readmitted students should report to the department in which they plan to major and request an adviser.

Unclassified, Special Undergraduate, and Audit Students

Undergraduate students who are unclassified, special undergraduate, or audit should go to the Academic Counseling Unit in Scates Hall. Evening students in these categories may go to the Evening Academic Services Office, Room 165, Administration Building for advising assistance.

(2) OBTAINING REGISTRATION MATERIALS

The second major step in the registration process is obtaining registration materials. Registration materials consist of four basic elements: (1) a personal data form entitled "Student Information Form," (2) a card entitled "Registration Appointment Card," (3) a form entitled "Registration Receipt," and (4) a permanent ID card. Registration materials may be obtained as follows:

Current Students

Registration materials will be mailed to the permanent address of all students currently enrolled, with the exception of those students having outstanding financial obligations at the time registration materials are prepared, those suspended for academic reasons, those who are on academic probation, and those who have holds placed on their packets by a University office.

New and Readmitted Students

New and readmitted students who have cleared all admission requirements at the time registration materials are prepared will receive their materials by mail. Students not clearing in time to receive their materials by mail will be given a chance to obtain materials before the actual day of registration and will receive instructions on how to accomplish this.

(3) SECURING CLASS CARDS & PAYING FEES

Students having their "Student Schedule" form approved, their permanent ID card made, and their registration materials in hand are prepared to enter the Registration Center to obtain class reservation cards and to pay fees.

Registration appointment times — Enter the Registration Center on the date and time printed in the upper right hand corner of the "Registration Appointment Card." (See example.) Registration priority at Memphis State University is based on cumulative hours earned. Students should enter the Registration Center at the appointment time indicated; however, the student may enter at any later day time after his day appointment time or at any later night time after his night appointment time.

Students registering during the day at the Late Registration Center must go to departments to obtain class cards. Cards are at the Center during evening late registration hours.

Schedule conflicts — Each student is responsible for preventing conflicts in the scheduling of his classes. Students should check each class card which they are issued to insure that the course and section numbers, time and credit agree with what they requested. Students will be assessed a "change-of-course" fee if it is necessary to make changes because of a scheduling conflict or because of having the wrong class card. Students should be careful to check the schedule for course offerings that might have changed. Up-to-date information may be obtained during registration.

The University does not guarantee that the instructor listed in the Schedule of Classes will be the one to teach the course, and no fees will be waived accordingly.

University policy prohibits the waiving of the change fee when a course section has closed and later reopened. The University reserves the right to cancel courses or sections.

Summer School Course Load Limitations — The maximum number of hours for which a graduate student may enroll during the summer session is 12, exclusive of the pre-summer session. The maximum course load for the pre-summer session will be one 3 or 4 hour course.

FEES AND DEPOSITS

Application Fee

Each student submitting an application for admission to the University must pay, at the time he submits his first application, a one-time non-refundable fee of \$5.00.

Maintenance Fee

All students, whether resident or non-resident, pay a maintenance fee. Students paying the fee for six or more hours are entitled to admission to home athletic events and certain health services, concerts, plays, social and other student-sponsored activities, and a subscription to the student newspaper, *The Helmsman*.

The Summer Session consists of a pre-summer term of two separate terms of approximately six weeks each, plus nine weeks and extended terms for specified courses. Fees for the Summer Session are determined solely on a semester hour basis. The undergraduate semester hour charge is \$20.00 for maintenance fees and an additional \$39.00 for non-resident tuition.

The graduate semester hour charge is \$23.00 for maintenance fees and an additional \$39.00 for non-resident tuition. Fees payable are based on the course level.

Fees for audits will be assessed on the same basis as fees for credit courses. Courses offered between terms, for concentrated periods during a term, or at specific locations, may be subject to fees on a per-hour basis only.

Tuition

Students classified as non-residents are charged an additional \$39.00 per semester hour. (Note that tuition is in addition to the maintenance fee.)

The Office of Admissions and Records is charged with the responsibility of assigning a residency classification to each student using regulations provided by the Board of Regents. The student may appeal the decision to the Committee on Residency. Residency regulations of the Board of Regents and information on appeals procedures are available in the Office of Admissions and Records.

University College Fees

In addition to their \$5.00 application fee, students who apply to the University College must pay a screening fee of \$15.00, which is non-refundable. If accepted into the University College, the student must pay a non-refundable contract-advising fee of \$25.00.

Students who apply for credit for experiential learning will pay \$15.00 per credit hour granted after evaluation of their learning and assignment of credit. For those students who are enrolled under a group contract, no more than a maximum fee of \$90.00 will be assessed for credits assigned under the terms of the group contract.

Courses in Applied Music

The fee of applied music shall be \$25.00 per semester for each one-half hour lesson.

Music Locker Deposit

Music students are required to have a locker for storage of University-owned musical instruments or equipment. Personal instruments may also be stored in lockers. A deposit of \$3.00 for one semester or \$4.00 for two semesters is required on each locker issued. This deposit, less a service charge of \$1.50 per semester, will be refunded upon return of the lock. Students will be expected to pay for any damages.

Automobile Registration

Each person who expects to operate and park any motor vehicle on the campus must pay \$5.00 for an official permit, valid from September through August, and register the vehicle in the Security Office (Room 151, Administration Building). A reduced fee of \$4.00 is charged for vehicle registrations after January 1, and \$2.00 after May 1. Proof of ownership must be presented when registering the vehicle. Residence hall occupants should ask for a special resident decal when registering their automobiles.

Air Force ROTC Deposit

A uniform deposit of \$10.00 and a \$5.00 activity fee are required of each student who enrolls in the Air Force ROTC program. The uniform deposit, less charges for uniform loss or damage, will be refunded at the end of the academic year or at the beginning of a semester in which the student is not enrolled in the ROTC program.

Laboratory Deposits

Certain courses in chemistry require breakage deposits from \$10.00 to \$20.00 per semester, depending upon the course. Any unused portion of these deposits will be refunded.

Physical Education Locker and Towel Fee

Students enrolled in physical education courses must pay a fee of \$3.50 for the locker and towel issued them. Students must provide their own lock.

Late Registration

Students who do not complete registration (including the payment of fees) during the official registration period will be charged \$10.00 for any late registration following the official registration period.

Adding and Dropping Courses

A fee of \$5.00 will be charged for each change of course form processed, regardless of the number of course or section changes included on the form.

Transcripts

There is no fee for transcripts. However, the student will be charged \$1.00 for each official transcript over the maximum of five (5) per request. Transcripts are issued only at the request of the student in person or by letter. No transcript will be provided for a student who has any unfulfilled obligation of the University.

Diploma Fee

Each candidate for a degree from Memphis State University pays a \$20.00 fee to cover cost of the diploma, rental of cap and gown, and incidentals connected with the commencement exercises. This fee must be paid thirty days before graduation.

Credit by Examination or Placement Examination

The fee for taking an examination for credit is \$15.00 minimum and an additional \$5.00 for each credit hour over three; this fee must be paid prior to the examination. The same fee must be paid when an application for credit is made under the Credit by Placement Examination policy.

Special Courses

Credit/No-Credit Courses — Certain students, with permission from the dean of their college, may elect to take some courses on a credit-no-credit basis. Details are found in the undergraduate *Bulletin*.

Procedures for registering are as follows: (1) Obtain permit form from academic adviser, complete information on the form, and secure adviser's signature. (2) go to department chairman's office in which course is taught and secure his approval. (3) obtain "Class Card Request" form from department chairman. (4) take completed permit form and "Class Card Request" form to the Registration Center at the appointed registration time.

Audit Courses — In order to register, the student must: (1) Obtain academic adviser's approval. (2) go to department in which course is taught and pick up "Class Card Request" form. (3) take "Class Card Request" form to the Registration Center at the appointed time. Fees for audit courses are the same as for credit courses. Special class cards are used when auditing a course.

A student auditing a course will receive "audit" on his/her transcript only if in the judgement of the instructor he/she has attended a sufficient number of classes to deserve the notation on the transcript. Faculty will base their decisions for awarding "audit" only on attendance as the student is not allowed by policy to participate in any other way.

Payment of Fees — Registration is not completed until fees are paid. Since there will be no deferment of fee payment, students should not enter the Registration Center unless they are prepared to pay fees. Students receiving VA assistance are expected to pay fees in full. Students holding scholarships, student aid, or billing authorizations for this term should stop at the "Scholarship and Authorized Billings" station in the Fee Payment Center.

Summary of Fees for Summer Session:

Undergraduate

	Resident	Non-Resident
Per semester hour	\$20.00	\$59.00

Graduate & Law

	Resident	Non-Resident
Per semester hour	\$23.00	\$62.00

The listing of these fees in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect at the time he or she registers. Fees are subject to change without notice. Persons over 60 years of age and totally disabled persons should refer to the sections of this publication covering their registrations.

Returned Checks

It is expected that a check given the University, for any reason, will clear the bank on which it is drawn. If a check given in payment of registration fees is returned, the fee is assumed to be unpaid and charges for late registration will be assessed. A \$5.00 service charge will be assessed for each returned check whether given in payment of any fee or cashed by the University for the convenience of the student. Check cashing privileges will be revoked for any student who has had checks returned by his bank more than once within a twelve-month period.

SUMMER: Students are requested to register for all four terms of the Summer Session at the beginning of the first term, if possible. If a student withdraws from the University within four days (excluding Saturday and Sunday) from the beginning of classes for the first term, a refund is made of 75% of the maintenance fee and tuition or music fee (if any) applicable to first term classes. If a student withdraws from second term classes any time before second term classes begin, a full refund of maintenance fee and tuition or music fee (if any) applicable to the second term will be made. This refund will be reduced to 75% if the student withdraws within four days (excluding Saturday and Sunday) after beginning of classes for the second term.

Withdrawal or drops from extended term courses will be refunded on the basis of 75% during the first seven days (excluding Saturday and Sunday) instead of four, as in the first and second summer terms. Withdrawal or drops from nine week term courses will be refunded on the basis of 75% during the first six days (excluding Saturday and Sunday). Withdrawals or drops from the Pre-Summer session courses will be refunded on the basis of 75% during the first two days.

A full (100%) refund of fees will be made for courses cancelled by the University.

The University refund policy is based entirely upon the official date of the withdrawal or change of course which would result in a refund. Refunds beyond the specified date cannot be made for reasons such as employment conflicts, health or medical problems, or moving out of town.

Appeal Procedures for Fees and Refunds

A student may appeal the assessment, application, calculation or interpretation of any University fee, charge, deposit, or refund, or any University action connected with fees and charges. Questions should generally be discussed with personnel in the Bursar's Office. If a student is not satisfied with the resolution made by the Bursar's Office, a written appeal, on forms available in the Bursar's Office, can be made to the Director of Finance; his determination may be appealed to the Vice President for Business and Finance; and his determination may be appealed to the President of the University. Traffic fines are subject to a separate appeal procedure.

ID CARD

ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD BEFORE THEY WILL BE ALLOWED TO REGISTER. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, UNCLASSIFIED STUDENTS, ETC.

The University issues to each student an identification card which bears his photograph, social security number, and certification that he is enrolled as a student in the University. New students will be given information concerning ID cards in their information sessions. The card is required for registration, the borrowing of library books, and other purposes. The card remains the property of the University and will be surrendered upon the request of a University official.

A current student who has lost his or her card may obtain a replacement from the Dean of Students Office, Room 208 Scates Hall. A student will be charged \$10.00 to replace a card that has been damaged, stolen, or lost. A charge of \$2.00 will be made to make any change in data on a card. Students unable to obtain an ID card at an off-campus or special registration must go to the Records Office to have one made.

Part-time students who are enrolled for at least six semester hours of credit courses will be given full-time I.D. card validation. ID card validation of full-time is for student activity purposes and does not necessarily constitute a full-time academic load.

For information concerning the number of hours required for a full-time academic load, consult the table for full-time classification in the Memphis State University Bulletin.

A credit hour load equal to one-half of that for the minimum full-time credit hour load qualifies as half-time academic load.

Handicapped Student Registration

A preferred registration procedure is provided for some disabled students to allow them reasonable opportunity to schedule around special disability-related needs and to eliminate the architectural inaccessibility of the regular registration process. Those eligible for this service include students with mobility impairments, their personal care attendants and others who need special scheduling to accommodate medical or educational needs arising from a disability.

Handicapped Student Registration is begun prior to regular registration. Students using this procedure should see their adviser, complete the "Student Schedule" form in full and take it to the Coordinator of Handicapped Student Services well in advance of the beginning of regular registration. A duplicate of the schedule will be made, and the class cards will be pulled for the students prior to regular registration. Each student's class cards will be placed in an envelope marked with his name. These envelopes will be held in the late registration center.

The student may pick up the reserved class cards and complete the remaining registration procedures anytime during Late Registration in the University Center. Students who have cards reserved in this manner will not be charged a late registration fee.

For further information and specific details please contact Donna Sparger, Coordinator of Handicapped Student Services, Room 111, Education Annex or call 454-2731.

(4) CHANGING ENROLLMENT STATUS

Once the student has completed his initial enrollment, he may find it necessary to change his status.

Change of Course

After a student's registration is complete, he may, within specified time limits, change his class schedule through the process of adding and/or dropping courses. APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE ACADEMIC ADVISER. Time limits for add/drop are outlined in the semester Calendar. A fee of \$5 will be assessed for each change of course application form processed. No change of course is processed until the fee has been paid. There is no charge for a change made as a result of the University cancelling a course.

Permission to add or drop a course after the deadlines shown in the calendar must be approved by the appropriate college dean.

Students who wish to discontinue attending and who are enrolled in one course only must withdraw, not drop the course.

Withdrawal Procedures

Students may withdraw from the University by notifying the appropriate University official in person. ID's must be turned in to be invalidated.

- (1) Undergraduate Students — Notify the Center for Student Development, Room 120, Scates Hall
- (2) Evening Saturday Students — Notify the Dean, Evening Academic Services, Room 165, Administration Building
- (3) Graduate Students — Notify the Dean of Graduate Studies, Room 315, Administration Building

Time limits for withdrawals are stated in the Semester Calendar.

Change of College or Major

Undergraduate students in the Colleges of Arts and Sciences, Business Administration, Communication and Fine Arts, Education, Engineering, and the University College may change their college or major by completing an application at the designated office of the college for the new major. These offices are as follows:

Arts & Sciences

Dean's Office — MI 219

Business Administration

College Adviser — BO 426

Communication & Fine Arts

Dean's Office — MJ 300

Education

College Adviser — ED 211

Engineering

College Adviser — EN 259

University College

Dean's Office — JN G-1

Graduate students may change their major by making application in the Office of the Dean of Graduate Studies, Administration Building, Room 315.

Change of Adviser

Students may change adviser by making application to the college in which they are currently enrolled. After being assigned an adviser, the student should come immediately to the Records Office.

Change of Name, Address, or Social Security Number

It is imperative that the student keep his/her name and address current on University records. Opportunity for changing addresses is provided on the "Student Information Form" in the registration materials. However, in order to change social security number or name, the student must come to Room 119, Records Office, Administration Building. Students who change their address should leave a forwarding address with the post office so that all University mail will reach them at their new address.

IMPORTANT: All changes should be made early in the semester to insure their processing before the next semester.

GRADE REPORTS

A grade report showing the grade received, credit hours earned, and quality points earned will be mailed to each student at the end of the semester. Also shown on the grade report will be cumulative hours attempted, hours earned, and grade point average. The report will be mailed to the permanent address.

THE RECORDS OFFICE WILL NOT RELEASE ANY GRADE EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, NO GRADES WILL BE RELEASED BY TELEPHONE.

WITHHOLDING OF GRADE REPORTS

The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. Previous semester grades which have been withheld may be obtained (with the proper release card and identification) in the Packet Center, or the Late Registration Center, when these are open. At other times students should come to Room 119, Administration Building. (Consult the MSU Semester Calendar).

COURSE NUMBER SYSTEM

Courses are numbered according to the following system:

1000-1999	Courses primarily for freshmen
2000-2999	Courses primarily for sophomores
3000-3999	Courses primarily for juniors
4000-4999	Courses primarily for seniors
5000-5999	Courses offered in the Graduate School open to seniors within 36 semester hours of graduation
6000-9000	Courses open ONLY to those students fully admitted to the Graduate School

IMPORTANT: The section numbers of courses offered during the Summer Session denote the term in which the course will be taught as well as distinguish between different sections of the same course. All courses taught during the Pre-Summer Session may be identified by section numbers beginning with "0." First Summer Term sections of courses begin with "1." Second Summer Term sections begin with "2." sections taught during the Extended Summer Term begin with "3." and Nine-Week Term sections begin with "4."

ACADEMIC STATUS AND RETENTION

Official notification of academic status is by means of the grade report processed to each student at the end of the regular semester. A complete statement of the policy regarding academic status and retention may be found in the University Bulletin.

Specific questions concerning academic retention/suspension should be directed to the Evening Academic Services Office, Room 165, Administration Building, between the hours of 12:00 Noon - 8:00 p.m. Monday through Thursday, and 8:00 a.m. - 12:00 Noon on Saturdays.

REGISTRATION PRIORITY

Since all students cannot register at the same time, it is necessary to establish priorities in the assignment of registration times. Registration priority and the registration appointment times appearing on registration materials are generally based on the number of cumulative hours earned. This policy is based on the rationale that those students closest to the degree have the most critical need for choice of courses. No other criterion of assignment seems to be as equitable and as easily administered.

Registration materials must be prepared before the end of the term that immediately precedes registration. Therefore, the appointment times do not reflect hours earned during this term. For example, registration times for the spring semester are not affected by hours earned during the fall semester.

The majority of University students hold jobs either on or off campus. Registration priority and associated registration appointment times cannot be based on the need to work because such a large number of students do work. No practical or equitable way exists, therefore, to administer a priority system on the criterion of a student having to work.

Although the University is desirous of assisting transient students in obtaining the best possible program, a first obligation is recognized to native students continuing their program. Unclassified students will, therefore, be awarded registration appointments on the basis of hours earned at Memphis State University only.

Seniors not holding an undergraduate degree who are taking degree credit courses have priority over special undergraduate students (those who hold degrees) when enrolling for undergraduate credit courses.

MESSAGE FOR VETERANS

Eligible veterans may take credit courses as full, three-quarter, or half-time students and receive monthly G.I. educational benefits. Contact the MSU Office of Veterans' Affairs, 454-2996, 108 Jones Hall, for further information.

FINAL EXAMINATIONS

During the Summer Session, final examinations are given on the day indicated in the calendar at the regularly scheduled meeting of the class. Each examination is ninety minutes in length and attendance is compulsory. Absence from a final examination without permission of the instructor incurs a grade of "F."

STUDENT INFORMATION SYSTEM

The Student Information System is a series of pre-recorded tapes with each containing information on a given subject about which questions are frequently asked by students.

Instructions for using SIS — Dial 454-2037 or 454-2038 and ask the operator for the number of the subject you desire information on.

Hours of Operation : Sunday - Thursday — 8:00 a.m. to 10:00 p.m.

Friday and Saturday — 8:00 a.m. to 12:00 Noon

Vocation "Guide" For Young Men Issued

CHERRY HILL, N.J. -- "A Guide for Men Interested in a Catholic Religious Vocation", is a 24-page booklet just published and distributed free of charge by the SAC Vocation Information Center.

The Guide is directed at anyone who has ever thought about a religious vocation," according to its editor, Father Norris.

In the plainest language, the Guide tries to say all the things we who are in the religious life today wish somebody had said to us when we were trying to decide," Father Norris explained.

In anticipating the "very serious questions young persons have about the celibate, religious life," the booklet is divided into 10 brief chap-

ters, with three appendices on different types of religious ministry, how to apply to one's choice and what is required, and the differences between memberships in various religious "communities." A bibliography of other resource books is also included.

The new Guide is intended to provide "a rationale, a sort of respectful interior dialogue for a young person who is wrestling with a major decision like a religious vocation." Father Norris continued.

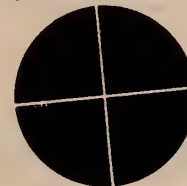

He cited the enthusiastic reception of one of the booklets listed in the Guide's bibliography. "Religious Communities of Men, Eastern U.S."

"'Religious Communities' is a catalogue of sorts," he said, "where the Guide is more philosophical and theological."

"We felt the catalogue approach demanded the things the Guide tries to accomplish, so we produced it."

PRIVACY RIGHTS OF PARENTS & STUDENTS

ANNUAL NOTICE TO STUDENTS

Annually, Memphis State University informs students of the Family Educational Rights and Privacy Act of 1974. This act, with which the institution intends to comply fully, was designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Local policy explains in detail the procedures to be used by the institution for compliance with the provisions of the Act. Copies of the policy can be found in the following offices: Associate Dean of Admissions and Records (Records); Dean of Admissions and Records; University Counsel. The offices mentioned also maintain a Directory of Records which lists all education records maintained on students by this institution.

Questions concerning the Family Education Rights and Privacy Act may be referred to the office of the Associate Dean of Admissions and Records (Records).

DIRECTORY INFORMATION

"Directory Information" is defined as: The student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's full or part-time status, and the student level. At the time a student registers for courses, the student may personally deliver to the Records Office, Room 115 (Attention: Records Counselor) a written request that directory information not be released. This notification is effective only for the semester for which the student is then registering. Such information will then be withheld if the request is received within 14 days after the beginning of classes.

CLASS ATTENDANCE

Although students at Memphis State University may be engaged in a variety of activities, curricular and extra-curricular, on and off campus, they are expected to give first consideration to their scholastic obligations. When they register for classes they make a commitment to and assume a responsibility for their academic success. They are expected, therefore, to attend classes promptly and regularly, to participate appropriately in these classes, to seek out all the help which the University makes available to them, to complete all course requirements, and to perform to the best of their abilities.

The importance of prompt and regular class attendance cannot be overemphasized. Although class attendance as such is used in computing grades only under the conditions stated in the following paragraph, students must understand that their academic success will be determined by the way they perform on all measuring instruments — tests, daily quizzes, class participation, in-class essays, class reports, etc. — and that failure to attend and participate in class (or to meet similar responsibilities in laboratories, intern programs, and the like) will undoubtedly affect that performance. Absence from class is not a valid excuse for failure to complete assignments or for tardiness in completing them; permission to make up assignments or to turn them in late can be given only by the teacher of the class upon specific request; students should not assume that such permission is granted routinely.

Class attendance as such is not used in computing grades except

in those courses for which teachers request specific exemptions. Such special attendance policies are valid only (1) if the department chairman annually approves them in writing prior to the first class meeting with a copy of that approval forwarded for information to the dean and (2) if a full statement of the policy is presented to all students present at the first and second meeting of the class. In the case of courses which have multiple sections and multiple teachers, the chairman's approval permits all teachers to use class attendance in computing grades.

A student who is absent from the final examination without the permission of the teacher incurs a grade of F on the examination and may incur a grade of F for the course.

ADDENDA TO 1979-80 CATALOG

The following policy changes which became effective in the fall, and the following courses, were approved for inclusion in the offerings of the University after 1979-80 Catalog issue of the University *Bulletin* had been sent to the printer. Their publication here constitutes the official announcement of their addition to the University policies and curriculum

FRESH START

A FRESH START allowing calculation of grade point average and credit hours toward graduation to be based only on work done after returning to college is provided for undergraduate students who have gained maturity through extended experience outside academe and have demonstrated better than average academic performance following their return. Requirements to be satisfied by a student requesting a FRESH START toward a baccalaureate degree:

1. Separation from academic institutions for at least seven (7) years.
2. After returning to college, completion of at least 36 semester hours course work before application for FRESH START.
3. GPA of at least 2.5 for all work completed after returning to college and at time of application.
4. Formal application to the dean of the student's college, requesting that a FRESH START be granted and describing an academic plan which may include declaration of a major.

Upon the approval of the college dean, the student will be granted a FRESH START. It may be granted once. The student's permanent record will remain a record of *all* work. The date of the FRESH START will coincide with the date of re-entry following prolonged separation. The permanent record will note that a fresh start was made and the date of the fresh start. The record will also carry the notation "GPA and credit totals are based only on work subsequent to that date."

UNIVERSITY COLLEGE 3500-3599

Thematic Studies (6-9)

Interdisciplinary seminars to be organized about significant problems, themes, or ideas. Specific course description will appear each semester in the "Addenda" section of the Schedule of Classes.

UNIVERSITY 3506. Pastoral in Literature and Fine Arts. (6)

This course surveys the relationship between man and nature as reflected in pastoral literature and music and landscape art from classical times to the present. Central to the course will be an examination of technology's influence upon man's artistic conception of himself, society, and nature. Analysis of landscape art and the pastoral theme in literature, painting, and music from Theocritus through modern "Westerns" will be essential since it is primarily through such forms that man has visualized his relation to the world.

†STUDY OF ROOTS AS A TELEVISION EVENT

Bucky Barrett,
Nashville, Tenn.
Studio Musician & Teacher

"YOU CAN'T MAKE THE SCENE UNLESS YOU CAN MAKE THE SOUND."

Bucky Barrett has been a professional guitar player for 17 years, playing road dates and concerts. Two years ago he decided to settle in Nashville to make it as a studio musician.

"It sure is hard for young professionals to get started on the road," says Bucky. "A lot of young people don't have the kind of cash you need. But a young player can't really make the music scene unless he can make the sound. That's why you need a first-class instrument."

Bucky, who owns a Hohner HG-360, thinks that Hohner's Limited Edition guitars meet the young professionals' needs. He purchased his Limited Edition instrument when he discovered it had a slightly "different," unique sound. "I really discovered 'my sound' with that instrument," he says. He uses the Hohner whenever he has the opportunity to add something personal and creative to his work. "I was also surprised by its low price!"

"I do lots of commercials, jingles and records and TV appearances. A lot of times, they want the standard sound from any guitar. But sometimes, I'm asked to do things a little different—make something stand out. That's when I use my Hohner." He used the instrument on the rhythm track of "The King Is Gone," a record that has already sold several million copies.

"It's a good instrument," says Bucky. "For me, it's my 'signature' sound now. And that's really what you need to make it in this business."

**WHEN YOU'RE LOOKING FOR
THAT BIG BREAK, HOHNER
CAN BE INSTRUMENTAL.**

The whole world loves a Rascal.

And why not? After all, rascals have more fun. Especially Suzuki's new Rascal, the FZ-50.

Outfitted with an automatic 2-speed, the "shiftless" little devil is fun and easy to ride anywhere. Work, school, around town. Heck, it's a ball just to ride around the block.

Nice thing is, the fun lasts on this machine. Because it's built with all the workmanship that has made Suzuki the most reliable name in two-wheeled transportation. Suffice to say, it's a tough Rascal.

Loaded, too. Dependable reed valve engine. Oil-damped front and rear

The Rascal from Suzuki

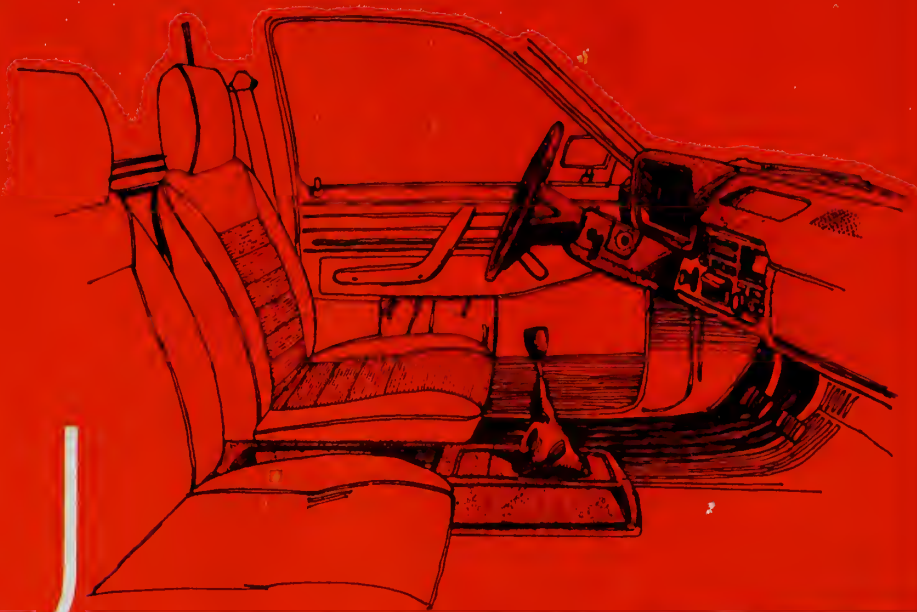

suspension for easy handling. Strong and stylish mag-type wheels. Wide 3" tires. Comfortable contoured seat.

Handy front and rear carrier racks. Easy to operate front and rear brakes. Fuel gauge. And, of course, lights.

Oh yes, there are a couple of other little things you'll like. Its small price. And its tiny appetite for gas.

Remember too, there are over 1400 Suzuki Dealers around the country. Which means parts and service are just around the corner. Now you know why everybody loves a Rascal.

THE NEW TOYOTA TRUCK.
IT COULD BE YOUR NEXT CAR.

YOU
GOT IT.

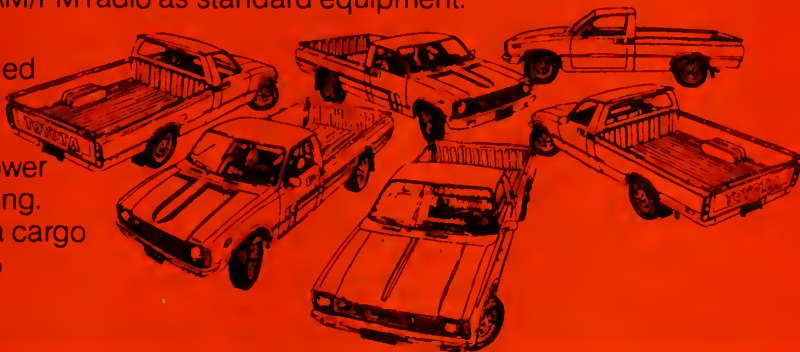

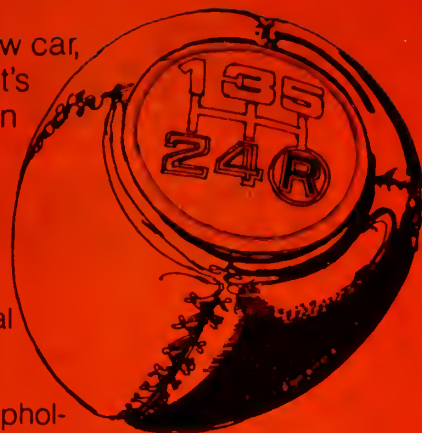

The new Toyota SR-5 Long Bed. If you find yourself calling it your new car, don't be surprised. This new Toyota truck has an all-new interior that's so comfortable you'll swear you're in a car. New softer-riding torsion bar front suspension, too. The new Toyota SR-5. It's the truck that doesn't ride like a truck.

Car fun. This new Toyota truck may be the most fun car you've ever owned. It's powered by a gutsy 2.2 liter overhead cam engine. Shifted by a sporty 5-speed overdrive transmission. Rides on steel belted radial tires. And has great new styling.

Car comfort. More comfort, thanks to an interior that's more padded and upholstered than before. More sound-deadening insulation too. SR-5 Sport Trucks also include wall-to-wall carpeting, bucket seats, even an AM/FM radio as standard equipment.

Truck Tough. One thing that hasn't changed is the toughness. This new Toyota truck—one of six—is as reliable as ever. With fully transistorized ignition for surer starting. Power assisted front disc brakes for surer stopping. Extensive anti-corrosion protection. And a cargo bed seven feet long. The new Toyota SR-5 Long Bed. It's more than your next truck.

THE NEW SR-5 LONG BED. **TOYOTA**

Q: Now that you've got all your classes (We hope!), how are you going to get across campus in time?

(Choose one:)

A: 1) Fly.
2) Be late.
3) Take the

Honda Express. See the Shopper's Guide and the ad on the opposite page.

Would you sign up for a lifetime course in applied Christianity?

Our course will take you deep into the Third World, to some of the most depressed and oppressed places on earth.

To God's Country

As a Maryknoll Missioner, you can share the love of God with these. His people. You can bring them hope and peace and dignity.

You will practice some very practical Christianity, too. You might set up adult education classes, show a starving farmer how to improve his crop, or a struggling worker how to improve his lot. Most of all, you will share the Gospel of Jesus Christ.

You will learn and keep on learning the rest of your life. You will learn and share their language, of course. But also their culture, traditions and, yes, their religion. You will learn the quality of joy that can only come from doing unto others, because all the while you give yourself to their lives, they give meaning to yours.

Please tell me more about a lifetime career as a Maryknoll Missioner

**Easy come. Easy go.
Easy to start.
And very smart!**

In case you haven't caught on yet, Honda's making it hard for you not to love the amazing little Honda Express.™

Its genius is its simplicity. No pedals to push. No gears to shift. And it starts with a quick turn of the key, tap of the foot and squeeze of the lever.

Zip to school, stop and shop, scoot to work, run on down to where you do your running — the Honda Express delivers you in style.

At only pennies a mile.

As you can see, the Honda Express expresses itself with two distinct personalities for 1979. The snappy, popular standard Express. The rakishly styled Express™II with its new comfort-contoured saddle.

Any way you go, with up to 100 miles to the gallon and no major service for a year or a thousand miles, is there a cheaper motorized way of going? Or a smarter way?

If it all sounds too good to be true, remember this: Honda's always made the incredible look easy.

And now for the kicker. There's another nice feature on the Honda Express—its price. Just see your nearby Honda motorcycle dealer and discover how easy it is to buy.

**C'mon America,
get on the**

**Honda
Express.**

Always wear a helmet and eye protection when riding. Check local laws. Operator's license required. Baskets available as an option. Not available in Wa. Designed for operator use only. Bose® presents the most exciting bookshelf speaker since the Model 301.

new Model 301. With an improved tweeter that took three years to perfect. An innovative Dual Frequency Crossover™ network that offers smoother midrange response. A unique tweeter protection circuit that virtually eliminates tweeter burnout. And a subtle exterior finish that makes the Model 301 more elegant than ever.

Even with changes, the Model 301 retains its conventional personality.

After all, a Bose Direct/Reflecting® loudspeaker system. Which means it utilizes a carefully produced balance of reflected and direct sound to give you the spatial realism of a live performance. From nearly every location in your listening room, you hear accurate stereo imaging. Accurate location of each instrument, note. Clearly, precisely. And with a fullness and richness you may have thought

impossible from such a compact enclosure.

As a matter of fact, the Model 301 delivers a level of performance which simply astounds first-time listeners.

It could happen to you. Ask your Bose dealer to demonstrate the Model 301 against any bookshelf speaker, regardless of price.

Then ask him to demonstrate the Model 301 against even much larger speakers. In each case, you will hear an open, spacious sound that expands the confines of your listening room. Suddenly, you are in a larger, more open space, listening to music as if you were hearing it for the first time.

No other bookshelf speaker even approaches the spatial realism of the new Model 301. See your Bose dealer for a demonstration and hear what we mean.

The new Model 301.

Introducing the home stereo receivers for your car.

Individual Bass & Treble Controls.

Power Amplifier.
Separate power amp installs in trunk. Provides up to 60 watts of Total System Power.

Bi-Amplification.
Divides and sends correct frequencies and power levels to respective drivers through four separate amps (two for highs and two for lows).

Loudness.
Recaptures all the bass that can disappear at low volume levels.

Dolby®* Noise Reduction.
Processes out tape hiss on Dolby-encoded tapes; improves dynamic range of Dolby-encoded FM broadcasts.

Muting.
Eliminates inter-station noise when changing stations.

The Jensen Car Stereo Receivers.

At long last...Jensen introduces the Stereo Receiver for your car. Indash.

A series of six stereo receivers: Three with cassette. Three with eight-track. All featuring incredible wide range tape reproduction and monitor quality FM broadcasts with superior sensitivity and pinpoint selectivity.

At the very heart of Jensen's Car Stereo Receivers

can be found four independent, direct coupled amplifier sections—two for each channel. Several models even boast the electronic sophistication of bi-amplification which minimizes distortion and increases peak power levels.

Feather-touch electronic switching puts the receiver through its paces: Dolby Noise Reduction System, Loudness Compensation, Switchable Interstation Muting, Tuner On/Off and Local/Distant reception.

These are some of the features that have created a distinct new category: Car

Stereo Receivers. The same features and quality that have earned these receivers the Jensen name.
